03 May 2021, Los Angeles – The Philippine Consulate General in Los Angeles cordially invites the Filipino-American community to the pilot episode of the online Financial Literacy Seminar (FLS) entitled, ***"Gawing Prioridad ang Seguridad (GPS),"*** which will be held on **Wednesday, 19 May 2021 at 6:00 p.m. (PDT)** via Zoom.

The FLS pilot episode will feature resource speakers from the Philippines' Pag-IBIG Fund and Philippine National Bank-Los Angeles (PNB-LA) branch.

Community members who wish to participate in the webinar are requested to register in advance through the following link:

Zoom credentials shall be provided later to those who have pre-registered.

This series of FLS *Gawing Prioridad ang Seguridad (GPS)* was conceptualized by the Consulate General to:

- 1) Equip the Filipino and Filipino-American community with basic financial concepts that may aid in their financial decision-making, particularly in easing their reintegration into the Philippines should they decide to retire or relocate back to, or simply invest in, the country; and
- 2) Create greater awareness on the financial programs, benefits and products being offered by viable social security and private financial institutions in the Philippines and in the United States.

Inquiries may be emailed to the Consulate General's Cultural and Community Relations Section: [cultural.pcgenla@gmail.com](mailto:cultural.pcgenla@gmail.com).

*Sali na at gawing prioridad ang iyong seguridad!* END.
