## PHILCONGEN LA HOLDS WEBINAR ON GRANT WRITING

07 March 2023, Los Angeles – The Philippine Consulate General in Los Angeles conducted a webinar on grant writing entitled, “*The Basics of Writing a Grant Proposal*” in the early evening of 06 March 2023 at 6:00 p.m. (PST) via Zoom. The webinar aimed to provide tips and tricks for individuals and organizations wishing to apply for grants to fund their advocacy, passion or research project both from public and private funding institutions. The webinar was also livestreamed via the Consulate General’s official Facebook page.

Professor Veronica Acosta-Deprez of the California State University-Long Beach (CSULB) Department of Health Science was the guest resource person. Sharing her expertise and experience in successfully applying for grants, she discussed what institutions particularly look for in a written grant proposal. She noted that government (i.e. the U.S.) grants may be more difficult to clinch compared to privately sourced funding, emphasizing that outcomes, timing, creativity and clear vision are very important in securing a grant from any funding institution.
