## PHILCONGEN LA LEARNS ABOUT MARINE CONSERVATION AT CABRILLO MARINE AQUARIUM

San Pedro, CA, 20 September 2025 – In observance of Maritime and Archipelagic Nation Awareness Month 2025 (MANAMo 2025), the Philippine Consulate General in Los Angeles, represented by its personnel and their children toured the Cabrillo Marine Aquarium to raise awareness and appreciation for marine conservation, especially in the youth.

Participants experienced marine life and explored coastal habitats through hands-on exhibits, and were encouraged to examine specimens with real scientific tools. In the aquatic nursery, which also served as a living laboratory, attendees were able to observe marine scientists caring for young sea animals. END.
